

RSU2 parents, students, local officials, and community members are invited to a public meeting to talk about our schools!

School representatives, parents, and students will hold a community meeting in each district within RSU2 in October. We want to hear from you the strengths and needs of our schools.

- What do you think we are doing well?
- What do you think we need to improve upon?
- Are our graduates ready for their future?
- What does data tell us about our students' learning?
- What suggestions do you have to share?
- What is standards-based education and why is it beneficial to students' learning?

We need you to help us improve our schools for all our students!

Please join us for an evening full of interesting discussions.

Day care will be available at each site.

Thursday, October 7 6:30 in the Dresden Elementary School cafeteria

**Thursday, October 14 6:30 in the Hall-Dale High School cafeteria**

Thursday, October 21 6:30 in the Richmond High School cafeteria

Thursday, October 28 6:30 in the Monmouth Academy cafeteria
